

Amendments to the Drawings:

Attached is a revised page 2 of the drawings containing Fig. 2, with changes to Fig. 2 indicated in red, whereby element numeral "244" is changed to "243".

A complete set of formal drawings, including the above changes is submitted herewith.

# REMARKS

Certain portions of the specification have been amended as set forth above. Claim 41 has been amended to correct for a clerical/grammatical error. It is submitted that the above amendments to the specification, claims, and drawings are essentially grammatical or clerical in nature.

In the attached revised Fig. 2, element numeral "244" is changed to "243" and a corresponding amendment to the specification at page 12 has also been made. These amendments are made because element numeral appeared twice in the figure. A set of formal drawings, including this amendment, is filed herewith under separate cover.

It is submitted that the above amendments to the specification, claims and drawing are supported by the application as filed, add no new matter, and require no undue examination and as such may be entered. The Commissioner is authorized to charge PSC Inc.'s deposit account no. 13-4953 for any fee required by the filing of this paper.

Respectfully submitted,

Dated: March 24, 2005
